Ryan:

This quotation is over a year old. Things have gone up drastically, not to mention lead times.
We will have to reach out and reverify.
Can't promise we will get answers by the end of today...
We will get back to you.

Thank you,

Ryan,

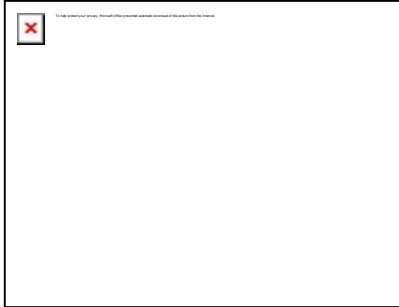

I will look this over and get back to you as soon as possible.

Thank you,

Good morning Avalyn,

Can you please validate the price and lead time on this estimate by today? It's time sensitive. Thank you!
