Mary ,  
Yes both exhaust fans on the same proposal use the same WO# 14545- I can't confirm asset numbers. Contact John Brown for any specific info needed .

Thanks,  
Rick

Rick,

Do you want both exhaust fans on the same proposal? Do you know if there is an asset # for the other one? (See lindsay's notes below). Just want to make sure we get this right.

Ok so for 14545 we are disregarding the invoice and adding diagnostic to replace the slow running motor in the Wall pack exhaust fan- asset 1057? While onsite also look at exhaust fan located at OMS shop bldg 2 (does this have an asset number?) then I would quote them both together under the same ticket?

Lindsay,

Please see Rick's notes below, let me know how you would like to proceed.

**This has not been completed** . Here's what I need – 1<sup>st</sup> - the exhaust fan S&S worked on needs a motor , it was running slow / proposal needed . 2<sup>nd</sup>. The exhaust fan they were supposed to work on was at the OMS Shop bldg. 2 -back side - the switch is physically off and taken apart inside the fan . S&S needs to investigate this again next time onsite for another ticket and provide proposals . Use the same WO# 14545.

Thanks!
