Call Resolution

12/13/2018 CSS 16676 Hot Water Repair

While on site installing parts, our technician determined that your Hatco Unit, Model # S-12, Serial # 1404229507 will need a new high limit and T&P valve. The pricing shown below covers labor and materials required to do this work. Please call me at extension #236 if you have any questions.
Thank you.

12/18/2018 Hatco Unit,
Model # S-12,
Serial # 1404229507
Shut off power and water. Drained tank.
Removed cover and removed old high limit.
Doped up new bushing and installed high limit probe.
Wired in control and turned water back on. Tested unit operation.
