Notes

Topic	Note
WORK ORDER NOTES	10/29/21 NRD - look at the leak inside and seen it was coming from a seem in the roof not and roof penetration. Went onto the roof and look around area where it seems to be leaking from and it about 4 ft for the one Makeup air up on the roof. Open up that unit and didn t see any signs of water in the unit. Unit is only heating doesn t have and AC so no cooling coil the make condensate. Leak is comeing from roof somewhere will need to get roofers out to look at the roof
