Notes

Topic	Note
WORK ORDER NOTES	3/22/22 NRD - found both boiler off no alarm. Found both house pumps for heating loop off put one in hand and both boiler turned on. Got into BMS on computer and found that something happed last week on the 16 at 1530. Pump 2 turned off and pump one didn t come on. Reset all alarms I could see and test both pump in auto and switch back and forth like it would each day. All seems to be working ok now. Discharge air in all space 80-100 temps going up in building.
