**RE: Jurisdictional Inspection:**  
Allegany County Soldiers Memorial USARC  
14418 McMullen Hwy SW  
Cumberland, MD 21502-5605

Thank you for the consideration I received during my visit on May 2, 2019 at your facility listed above. The purpose of the visit was to perform the jurisdictional inspections of the objects listed below to determine compliance with jurisdictional laws and regulations. I was accompanied by Gerry Beitzel during my visit.

The inspections were performed on behalf of CMI Management, Inc (US Army Reserve Offices).

The following objects were inspected at the time of the visit:

Year Built	Type of object	Jurisdictional Number	NB Number	Recommendation(s)
	Cast Iron	MD006-01	CI	None
2011	Water Tube	MD006-02	158214	None
2011	Water Tube	MD006-03	249053	None

The following observations were noted during the inspection of this equipment:

- ***Fittings, attachments, and accessible parts were closely examined and found in satisfactory condition. No adverse conditions were noted with respect to controls and safety valves.***

As a result of this inspection, there were no recommendations suggested.

Based upon this visit, a report of this inspection activity is being forwarded to the governing jurisdiction. That report is requesting new certificates of operation be issued for the object with no adverse conditions noted.

The next inspection is tentatively scheduled to be completed by 05/02/2020.

Please contact me by phone at 571-373-0998 or by e-mail at [william.johnson@onecis.com](mailto:william.johnson@onecis.com) if there are any questions or if I may be of further assistance.

Sincerely,
