Here's the FEMS# 3265543, URGENT (7 DAYS to respond) service call work order# 20082 for your action. Reminder to contact Reginald Cook if the service call once you reach the \$250 amount so he can contact the COR for approval to repair. Don't forget to have your tech complete the service call certification of work form (COW) and to provide before and after pictures. Pics must be provided with the COW form.

NOTE: This is only approval for your tech to work on this scope of work. If site personnel requests other work to be completed outside of stated work - please ask them to put a service call request in with the AFOS or RFOS and then we can get their concerns addressed.

Kindly reply so I will know you are in receipt of this email.
