Thank you for the consideration I received during my visit on 5-20-19 at your facility listed above. The purpose of the visit was to perform the jurisdictional inspections of the objects listed below to determine compliance with jurisdictional laws and regulations. I was accompanied by John Granata Area Facility Operations Specialist, 585-944-9099, during my visit.

The inspections were performed on behalf of Tidewater, Inc. (US Army Reserve Offices).

The following objects were inspected at the time of the visit:

| Year Built | Type of object | Jurisdictional Number | NB Number | Recommendation(s) |
|------------|----------------|-----------------------|-----------|-------------------|
| 2011 | Water Tube | 111752 | 111752 | None |
| 2011 | Water Tube | 111681 | 111681 | None |

The following observations were noted during the inspection of this equipment: the boilers and the boiler room were in good working order.

As a result of these inspections 0 recommendations were suggested.

Based upon this visit, OneCIS Operating Certificates for each boiler are being created and forwarded to the client.

The next inspection is tentatively scheduled to be completed by 05/20/2020.
