NY013	CSS# 22031 WO# 6473 Asset# 9256														
Description of Repairs	Additional labor and materials required to replace urning in men's room. Upon further investigation under WO 6018 it was determined that the plumbing behind the block wall requires moving in order to install new urninal. The existing urinal is no longer available and we are unable to locate a urninal with those exact measurements for connections.														
Diagnosis: Initial Work Order	Repair urinal men's room in oms
