Valid For: 30 Day(s)**WO# 11294****CSS Ticket Number: 22490****Problem: Boiler #4 needs repairs and E - stop installed for all 4 boilers to pass inspection.**

S&S hereby proposes to install 4 push to stops on all equipment in boiler system.

- S&S will install emergency push buttons at each egress location to allow the building personnel to shut equipment down in case of emergency.
- S&S will install all necessary conduit for push buttons
- S&S will install all wiring and contactors for the control of the 2 boilers in the mechanical room.
- S&S will perform all operational checks and ensure boilers go off and return to service once controls are turned back on.
