

**Region:** 5

**Location:** DE007

**CSS #:** 22849

**Maximo Work Order No.:** 11464

**Asset #:** NA

**Date Issued:** 12/4/19

**Original Description:**

There are multiple lights out in the building. Two of the fixtures in the stairwell next to the gym are out, and the lights in the electrical room in the mechanical room are out. I believe the cause of the lights out in the electrical room is due to the motion sensor in that area.

**Repairs Needed:**

Labor and Materials replace ballast and bulbs in various locations at DE007.
