| Description of Repairs                   | SS will remove and replace all lighting Ballast (5) within Vault. Will remove and replace bulbs as needed, bulbs supplied by the customer.   |   |         |          |
| Diagnosis: Initial Work Order            | Most of the lights in the vault are out. Building tenants have changed out light bulbs but they are still not working. Seems like it may be ballasts that are out and need to be replaced. The main tenant unit is deployed at this time and vault access is very limited. The vault PMs are scheduled for September 9th and the vault will be opened that day, would like to schedule this work for that day as well. |   |         |          |
