Date Issued: 03/17/21

Original Description: The FC has requested to have two of the handicapped water fountains (one on the 1st floor located near the mens locker room entrance, and one on the 2nd floor across from the restroom) replaced with units that can safely fill water bottles. The reason for this is due to COVID19 safety, as the only type of water fountains that have been deemed safe are the models that have the sports bottle fill up.

Repairs Needed:

Labor and material to remove two handicap water fountains and replace them with 2 bottle fill water fountains.
