RE: VA0701 Service Call

Mary,

Air Conditioning Equipment Sales is pleased to present this proposal for your consideration to provide (8) hours of labor for a controls technician to troubleshoot your Alerton controls system that will not allow you to change setpoints.

This quote includes:

(8) Hours of Technician Labor	\$130.00 / HR	\$1,040.00
-------------------------------	---------------	------------

This quote does not include:

Any parts, labor, or material not specifically listed in this proposal

If additional repair labor is found to be needed, that cost will be provided in a separate proposal

If additional repair parts are needed, that will be provided in a separate proposal

**The total cost of this service is not to exceed \$1,040.00.** Please confirm the approval of this proposal.

Please let me know if you have any questions.

Respectfully Submitted,
