

Region: 5

Location: MD024

CSS #: 32797

Maximo Work Order No.: 15117

Asset #: NA

Date Issued: 10/19/21

Original Description: Repair bldg 1003 breakroom interior swing door with sealed door type, pre hung.

Repairs Needed:

S&S proposes to remove the interior swing door and replace it with a new steel door with weather-stripping and a door closer. S&S will paint the new door and dispose of the old.

RS Means Line Buildup and Labor Summary (Data Version 2017, Q4):

| Quantity | Line Item Number | Description | Labor Hours | Labor Rate/Hr | Materials | Equipment | Total |
|----------|------------------|---------------------------------|-------------|---------------|------------|-----------|------------|
| -- | NA | Materials (see attached detail) | -- | -- | \$1,710.52 | -- | \$1,710.52 |
| -- | NA | SS Labor (includes diagnostic) | 31 | \$85.49 | -- | -- | \$2,650.00 |
| -- | NA | TW Coordination | 4 | \$80.00 | -- | -- | \$320.00 |

Estimate Summary:

| Labor Hours | Labor Cost | Material Cost | Equipment | Total Cost | CE Factor | Total Estimate |
|-------------|------------|---------------|-----------|------------|-----------|-------------------|
| 35 | \$2,970.00 | \$1,710.52 | | \$4,680.52 | 100% | \$4,680.52 |

The above prices are quoted subject to acceptance within 30 days and credit approval by an officer of our company. State and local taxes are not included unless specifically noted. Material will be billed proportionately as shipped. Full amount of invoice due when rendered--retainage not acceptable. On shipments made by common carrier consigned to the customer, all claims for damages in transit must be filed by consignee. We do not include cost of unloading, storage or protection of material at jobsite.

Extra-Wide Rounded Head Drilling Screws for Metal

The extra-wide cross-head stabilizes, holding pressure to reduce the risk of cracking thin metal. Use these screws to secure metal wire to steel framing. They save you time and effort by drilling their own holes and fastening in a single operation. Made from steel, they have a zinc coating to resist corrosion in wet environments. Length is measured from under the flange. Head height includes the flange.
