DESCRIPTION OF EQUIPMENT:

WH-1
LOCHINVAR
Model # AWN400PM
Serial # J12H20236336

DESCRIPTION OF PROBLEM:

Removed the 'display board' from the face panel on the water heater and cleaned with electrical contactor cleaner. Allowed to drain and air dry. Reinstalled and wired up, started up and checked control settings and found that the 'selector switch', still would not allow adjustment to the temperature and limit temperature setting. To test the trip out of the limits or cut-outs. This 'User Interface Control' is defective and requires replacement. System is off for safety precautions.

DESCRIPTION OF REPAIRS:

Moore's is proposing to remove and install new user interface control. Tech will make all necessary connections. Will start, test, and ensure proper operations.

Customer is responsible for any and all non-returnable items and/or restocking charges that apply, should the quote be cancelled by the customer, or the scope of work changes in any way after Moore's has received approval.

Approved by: _____

In consideration of Moore's Electrical & Mechanical extending credit to the above applicant, the undersigned hereby guarantees unconditionally and irrevocably. The compliance of all terms of the application and agreement, including the payment of any sums within the net terms agreed upon between the customer and Moore's, plus any additional costs such as a 1.5% monthly interest charge starting once an invoice becomes 30 days past due, service charges, legal fees and any means taken in order to collect debt. If it is deemed necessary to litigate, it is agreed that the County or District Court of Campbell County, Virginia shall be the venue of any suit. This guarantee shall remain in full force unless and until notice in writing is sent certified mail and received by Moore's Electrical & Mechanical. Said notice cannot be within 14 days of this signed agreement.
