Maximo Work Order No.: 15412

Asset #: NA

Date Issued: 11/9/21

Original Description: Propane gas light on commercial gas stove is out.

Repairs Needed:

S&S proposes to check all kitchen equipment, replace any piping or fittings that may have leaked and ensure the pilot light on the stove is working properly. S&S will then put all boilers back online and get the material and info needed to submit a quote to install CO detectors & LP gas detectors as required by safety.
