Tidewater Inc.

Dear Mr. Brown

As per your Request, LoCurrent Systems is pleased to provide a Proposal for Gate Operator Replacement at Canton, NY USARC - POV Entrance Only.

Our price is based on the reuse of existing power wiring for the cost of \$25,762.32.

For your convenience, please see our attached Detailed Breakdown and Summary of Work.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Antonietta LoRusso
LoCurrent Systems, LLC

Summary of Work

Canton, NY USARC Gate Operator Replacement – POV Entrance Only

LoCurrent Systems

Contractor shall replace (1) nonfunctional, existing, Gate Operator at POV Entrance with new.

Contractor shall supply and install (1) new Hy-Security 222 Series Gate Operator.

Gate Operator shall be 120V to match existing power.

Gate Operator shall be equipped with loop detector modules, base rise, snow brush kit, X-Treme Weather drive, slide rails, and photo safety eye.

Contractor shall remove and dispose of existing Gate Operator, install new drive rail on gate, install new concrete to mount gate operator base rise, install new gate operator, rewire and test.

Contractor shall install photo safety eye and reflector across gate pathway.

Contractor shall tie in existing keypads to gate operator for entry to gated area.

Contractor shall sawcut new exit loop and provide new loop detector wire.

Contractor shall seal loop detector cuts with approved loop detector sealant at the completion of work.
