DESCRIPTION OF EQUIPMENT:

Unit #: * Condenser
Area Unit Serves*: Front office
Make: * Trane Model: * TTA180C300GA Serial #: * 92310MHTD

DESCRIPTION OF PROBLEM:

Updated:
Moore's tech on site to make approved proposed work. Replaced compressor; during pressure test, found a leak in the condenser coil on the left side. Tech received verbal approval, so coil has been ordered. Will return to replace coil.

Original:
Moore's received call from customer to submit proposal to replace compressor for trane split system. Retrieved needed information in order to submit proposal.

DESCRIPTION OF REPAIRS:

Updated:
Recover refrigerant. Remove and install new condenser coil. Install liquid line filter drier. Pressure test system to ensure that there are no leaks. Pull vacuum to proper levels. Recharge with refrigerant. Start, test, and ensure proper operation of system. Due to our safety policy and weight limitations, there will be two men required on this job site to move the condenser coil.
*Customer is responsible for any and all non-returnable items and/or restocking charges that apply, should the quote be cancelled by the customer, or the scope of work changes in any way after Moore's has received approval.

Original:
Recover refrigerant. Remove and install new compressor. Install liquid line filter drier. Pressure test system to ensure that there are no leaks. Pull vacuum to proper levels. Recharge with refrigerant. Start, test, and ensure proper operation of system. Dispose of the old compressor.

Customer is responsible for any and all restocking charges that apply should the quote be cancelled after Moore's has received approval.

In consideration of Moore's Electrical & Mechanical extending credit to the above applicant, the undersigned hereby guarantees unconditionally and irrevocably. The compliance of all terms of the application and agreement, including the payment of any sums within the net terms agreed upon between the customer and Moore's, plus any additional costs such as a 1.5% monthly interest charge starting once an invoice becomes 30 days past due, service charges, legal fees and any means taken in order to collect debt. If it is deemed necessary to litigate, it is agreed that the County or District Court of Campbell County, Virginia shall be the venue of any suit. This guarantee shall remain in full force unless and until notice in writing is sent certified mail and received by Moore's Electrical & Mechanical. Said notice cannot be within 14 days of this signed agreement.
