Re: troubleshoot chilled water system

Ms. Pape,

Postler & Jaeckle Service is pleased to provide a quote to troubleshoot the chilled water system at the NY030 location. We will install gauges and confirm that the chilled water system is delivering the required gpm flow to the chiller and air handlers in the building. We will also determine if the evaporator is fouled. Your cost for this service will be \$2112.00 for labor and \$550.00 materials for a total of \$2,662.00. After completing the trouble shooting, a quote for repair will be provided for your approval if additional work is required. Thank you for the opportunity to provide this quote for your facility. Please contact me with any questions or concerns.

Sincerely,

**DAVE HENDEE**
