Re: Backflow Inspection for Army Reserve 5515 Ridge Road Webster, NY

Hello Karlee,

The price below is for inspecting the (3) backflows in the hotbox by the road (8" and ¾" Febco's and 4" 909 Watts) and filing the forms with the Monroe County Water Authority.

NOTE: This price is valid as long as the incoming and outgoing valves hold and the units do not have excessive barnacles or debris needing to be cleared from them. If either happens more time will be needed and the price will increase as time and materials. If any repairs are needed they will be quoted separately.

The cost for the above-mentioned work will be **\$ 685.00 plus any applicable taxes.**

Labor: \$635.00
Truck Charge 50.00

Postler & Jaeckle will not be held responsible for the delays of equipment, materials, or scheduling deficiencies/delays due to mandated labor shutdowns and/or COVID restrictions. Due to the rising costs of materials, this quote is good for 15 days.

We appreciate your business and we look forward to hearing from you soon.

Sincerely:

Sam Scarantino
Plumbing Service Coordinator
