Original Work Request:

Repair fire alarm. Walked in this morning to alarms chirping in both buildings - constantly like every 3 minutes. Alarms reading the following: VoIP module - hardware missing; Ring Port PO - Ring Port Trouble and in the Motor Pool: Motor Pool Panel 1 - Connection Trouble and the same Ring Port issue in that building also. Cannot reset these alarms. They aren't calling the fire department, but we need to see what's causing the issue.

Description of Repairs Needed:

Labor and material to a.) performed temporary fix on the voice board, b.) replace (1) voice board card for the fire panel, c.) replace (1) speaker strobe that was broken, d.) upgrade the software in the panels.
