DE001 – Backflow repair needed	CSS #24683 WO# 12039																																
Description of Repairs	Backflow needs to be repaired																																
Original SC Investigative Diagnosis	\$500.00																																
Diagnosis: Initial Work Order	S&S proposes to furnish and install the following: S&S will turn the water supply off to allow for removal of existing 3/4" backflow (serial# 31669) and gate valve. S&S will install a new 3/4" ball valve and new 3/4" backflow. S&S will then preform a test on the device to ensure it is working properly.																																
Explanation of Additional Costs for Repairs	N/A
