**2025 Crane Inspection WV AMSA 6 Armory Rd.**

Dear Julie,

Thank you for your continued interest in **CRANE 1**. We are the leader in crane and hoist safety solutions, equipment assessments, equipment installations, emergency repairs, and lifecycle asset management focused on safety compliance, equipment uptime and cost savings.

Our SAFETY and OSHA compliance inspections assess the condition of your lifting equipment and provides you the needed information to make a more informed decision regarding critical repairs - improving safety of employees and reducing potential liability issues. Our comprehensive maintenance inspections analyze your crane's current operational capability as well as the condition of the structural, mechanical, and electrical systems. We specialize in providing solutions to increasing the life of your equipment.

**CRANE AND HOIST SAFETY SOLUTIONS**

At CRANE 1, our overhead crane inspection offerings are customized to meet the specific needs of our customers and their equipment. Based on the condition of your equipment as well as its usage and environment, we work with you to determine a program of frequent and periodic inspections that will:

- ✓ Improve safe operation of your equipment
- ✓ Reduce the potential for liability
- ✓ Improve productivity by reducing costs and unplanned downtime
- ✓ Increase equipment life
- ✓ Comply with OSHA, ANSI, CMAA, NEC as well as other relevant standards

Our InSpec Safety Solutions include comprehensive safety and compliance inspections, assessment of the operating condition of your crane, proactive maintenance, and operator training. CRANE 1 Safety Specialists gather all information, perform a detailed safety and operational inspection, and provide customized recommendations for repairs or preventive maintenance of your equipment. We provide real-time reporting and give you a working plan that includes required critical actions and best practices.

**CRANE SAFETY INSPECTION FEATURES**

- ✓ Recommended solutions that are OEM, OSHA, ANSI, NEC and CMAA Compliant
- ✓ Customized service protocols for your specific equipment and operations
- ✓ On-site and on-time service delivery by an InSpec Qualified Safety Specialist
- ✓ Scheduled proactive maintenance to ensure that your equipment operates properly and safely.
- ✓ Real-time actionable data with on-demand service reports, web-based reporting, and trend reports
- ✓ Equipment component assessments for immediate breakdown parts identification
- ✓ Asset management and tracking information
- ✓ Customized inspection systems and processes

Periodic Inspection on 1 unit	\$800.00
<b>TOTAL ANNUAL INSPECTION</b>	<b>\$845.00</b>

### The CRANE 1 Advantage

Safety inspections are only the beginning of the advantages of a partnership with CRANE 1. We are uniquely equipped to help you manage your overhead lifting needs throughout the life cycle of your equipment and to assist your company when the need arises for additional lifting equipment.

Thank you for the opportunity to quote on your overhead crane and hoist needs. We at CRANE 1 value your business and look forward to the opportunity of entering into a "Partnership" with you. We will be available to discuss this proposal and any modifications you may desire at your convenience.

### Terms and Conditions:

- Payment Terms Net 30; subject to credit approval.
- Additional repair requirements potentially found during the completion of the inspection are not included; the cost and lead time of these added repair requirements shall be quoted upon request.
- CRANE 1 will comply with all applicable state and federal safety requirements as well as those policies provided to us that are specific to the organization or site where the work is being performed.
- Unless otherwise noted, prices are quoted based upon free and clear access to the site and equipment.

- Delays or additional mobilizations caused by customer or other contractors shall result in cost adders based on our current standard rates.
- Customer shall dispose of all used oil and removed parts. Disposal fee and hazardous waste fee shall apply to materials requested to be removed from site.
- Standard rates are for work performed 7:00am to 4:00pm. Time and a half rates after 4:00pm and on Saturdays. Double time rates on Sundays.
- Man lifts required for safe access to elevated equipment for completion of the quoted repairs are not included and may be supplied by the customer or will be provided by CRANE 1 at market rental rates.
- Payments by credit card are subject to a 3% processing fee.

**CUSTOMER RESPONSIBILITIES** – Customer is solely responsible for ensuring its employees are qualified and trained to operate the crane(s), related lifting equipment, and/or any other machinery being inspected by CRANE 1. The inspection findings include recommendations; however, the Customer is solely responsible for maintenance and repairs of all equipment. The Customer is solely responsible for taking a crane or piece of equipment out of service. Crane 1 can recommend removing a crane or piece of equipment from service but the ultimate decision and responsibility is with the Customer.

Proposal is subject to CRANE 1 Terms and Conditions of Sale (available at [www.Crane1.com/Terms](http://www.Crane1.com/Terms))

Sincerely,

Dee Searls
