RE: Jurisdictional Inspection:
SSG Reynold J King USARC
101 Sunrise Rd
Ithaca, NY 14850-3106

Thank you for the consideration I received during my visit on May 10, 2019 at your facility listed above. The purpose of the visit was to perform the jurisdictional inspections of the objects listed below to determine compliance with jurisdictional laws and regulations. I was accompanied by John Granata, Area Facility Operations Specialist @ 585-944-9099, during my visit.

The inspections were performed on behalf of Tidewater, Inc. (US Army Reserve Offices).

The following objects were inspected at the time of the visit:

Year Built	Type of object	Jurisdictional Number	NB Number	Recommendation(s)
1994	Cast Iron	006575		None
1994	Cast Iron	006573		None

The following observations were noted during the inspection of this equipment: the boilers and the boiler room were in good working order.

As a result of these inspections 0 recommendations were suggested.

Based upon this visit, OneCIS Operating Certificates for each boiler are being created and forwarded to the client.

The next inspection is tentatively scheduled to be completed by 05/10/2020.

Please contact me by phone at 724-396-5433 or by e-mail at joseph.klages@bureauveritas.com if there are any questions and to clear any recommendations.

Sincerely,

Joseph Klages
