

### Over and Above Estimate

**Region:** 5

**Location:** MD003

**CSS #:** 13070

**Maximo Work Order No.:** 3799

**Asset #:** NA

**Date Issued:** 9/13/19

**Original Description:** "The building needs to be pressure washed. Moss and other growth."

**Repairs Needed:** Cleaning of the 3 building exteriors with chemicals, medium pressure and hot water. Labor with crew of 4 for 5 days. Chemicals and fuels. Areas included:

Main building with the front and two sides. Also the back of the main building from the left up to the chimney. Main building 1 from the chimney (left side), front side and right side. Shop building also will get cleaned on three sides with the exclusion of the back side. Little maintenance building will be cleaned on three sides. Gutters and downspouts on the main bldg and shop will have the clog removed with pressure washing as well.

**Note:**

- \* Some of the trucks need to be moved.
- \* Some areas are cracking open and allowing water penetration
- \* Stucco / drivett siding starting showing signs of major deterioration and it is recommended to paint all surfaces soon to ensure existing damages worsen or other arise with the way it already look.
