Print Name/Rank:

LOUIS COARBO

Date: 10/11/19

Signed:

E-Mail:

LOUIS - A. COARBO - CTR @ MAIL - MIL

This is a detailed architectural floor plan of a large, multi-story building. The plan is oriented with North (N) at the top. A prominent yellow highlight traces a path through the central part of the building, starting from a large open area on the left, moving right, then turning down a long corridor, and finally turning right again towards the bottom right. The building's layout includes numerous rooms, corridors, and service areas. Key features include:

- Entrances:** Several entrances are marked, including a large one at the bottom center and another at the top right.
- Corridors:** A network of corridors connects different parts of the building. The yellow-highlighted corridor is a major thoroughfare.
- Rooms:** Various rooms are labeled, including offices, meeting rooms, and specialized spaces like a 'RECEPTION' area and a 'RESTAURANT'.
- Service Areas:** There are designated areas for storage, maintenance, and other building services.
- Orientation:** A compass rose at the top indicates North (N). A scale bar at the bottom right shows distances in meters (0, 10, 20).
