## 4' LED Modern Wraparound CCT Selectable 48W

Item No. LWRAP4/48W/CTS/D-98

Topaz's 4', 48W, LED Modern Wraparound offers energy efficiency and a fresh, updated look for residential and commercial settings. The frosted lens and white housing provide clean lines to easily upgrade the look of garages, laundry rooms, offices, and closets. The CCT selectable switch and dimming capabilities make it possible to customize ambiance to create the perfect space. These fixtures are linkable and come with a 14" jumper wire and end-to-end connector and can be surface mounted, or suspension mounted using the supplied chains and V-hook.
