

## Additional Funding Request

<b>Site: NY023</b>	<b>WO# 10312 CSS # 26808 Asset# NA</b>
Description of Repairs	Additional fund request for more extensive diagnostic. Initial investigation found two fuses that were open (blown). This usually means there is a dead short in one of the conduits and all the lighting pole splices will need to be disconnected in order to analyze where the problem exists. After the diagnostics is completed, a more thorough answer can be obtained to assist in the best solution
