Product Overview

Von Duprin 22L Grade-1 Rim Exit Device with Trim, Lever with Escutcheon, Classroom Function

The 22 Series wall device is a cost-effective solution for medium to low traffic areas where proven reliability is required. The wall-housed design of the 22 Series makes it more adaptable in the field. It is ANSI A156.3, Grade-1 certified and has UL fire ratings (22-ED). The 22 Series is designed and manufactured in accordance to ISO 9001 Quality Management System. It also is UL listed for Panic Hardware or Fire Hardware.
