Maximo WO No.: 18776

Asset #:

Priority:  2

**Original Work Request:**

Replace 4 HP motor in return air fan (RA-1). The spare motor is on site at the facility and the old motor is to be removed and new motor installed. In addition, the contractor needs to install a grease fitting where the shipping plug is located on the new motor installed in RA-1.

**Description of Repairs Needed:**

Proposal is to remove old motor and replace with customer supplied motor for RA-1. Old motor to be removed from site. Check motor startup and check for proper operation.
