Tech Notes
Tech: ALAN BOLING, Date: 9/30/19 - Arrived on site, could not gain access inside of site. Only can find 3 mini split outdoor units, which is located in front of building. Only can verify 2 of the units working. (middle one and right one) Asset numbers were faded and the other two had the same asset number. Followed tasking sheet, and completed what I could at this time. COMPLETE.
