Terms and Conditions

- It is the purchaser's responsibility to verify that all quoted systems will work for the specific application.
- Quoted lead times are estimated based on the availability of items at time of quotation. Availability subject to change.
- Prices do not include any: taxes, permits, or rigging.
- Prices are subject to immediate change. This quote is only based on the equipment stated herein. Any items or equipment not identified in this quote should not be construed as being included in the above stated price. Pricing for items having a quantity of more than 1 cannot be assumed to be equally divisible into the total item price. If a quantity less than quoted is required, please consult AMES, Inc. for pricing verification or a new quotation.
- Equipment will be delivered to the closest passable road. Customer is responsible for off-loading and setting.
- Customer is responsible for proper storage including following manufacturer's instructions for proper storage.
- All purchase orders are contingent upon credit review and approval.
- Payment is net 30 days on approved credit.
- Prices do not include any: Federal, state, local or use taxes. Customer is responsible for all applicable taxes.
- Manufacturer's standard warranty terms of 18 months from shipment or 12 months from start-up apply unless specifically stated otherwise in this quotation.

Safety-Kleen Systems, Inc.
1448 Desoto Road
Baltimore Md 21230

Date: November 27, 2018

Molly King:

Thank you for helping me better understand your business processes and needs. Below is a proposal aimed to help you address the following strategic initiatives you are currently pursuing:

- Reduce risk through Safety-Kleen rigorous operating procedures and guarantee of assurance and indemnification
- Provide single source for environmental services

We propose delivering the following services:

Description	Container Size	Price Per Drum
Waste Propylene and Ethylene Glycols	55 Gallon Drum	\$150.00
Documentation Fee	ONE-TIME	\$99.00

Quote is valid for 30 days.

Date: _____

Customer Name: _____

Customer Title: _____

Customer Signature: _____

Safety-Kleen supports more than 330,000 businesses across North America by recycling their used oil and industrial waste, and delivering environmentally friendly cleaning products and services. Customers choose Safety-Kleen because of our personal service, extensive liability protection and focus on sustainable solutions. Our goal is to provide customers like S & S Mechanical with the best solutions while keeping your company in balance with the environment.

I look forward to reviewing this proposal with you at your earliest convenience.
Sincerely,

Larry Jiggetts
Account Manager
