Hello Karlee,

CSS96472:

SOW: Repair workbay unit heaters in the AMSA bldg. Make repairs to unit heaters on AMSA work bays. Heaters are not providing enough heat in the work bay area. Temperature has been 62 degrees or less. We think the issue may be the controller not communicating with the heating valve.

Your price to investigate these repairs needed will be **\$1,636.00**, plus any applicable tax.
Labor 12hrs @ \$128/hr = \$1,536/Truck \$100.00.

Note)

- 1) There are no repairs associated with this quote.
- 2) Lifts if needed will be billed as an extra.

If system isolation (valves, circuit breakers etc.) prevent us from doing the above-mentioned work or upon restarting of the system there are any other repairs necessary they will not be included in the above quote. This will be done on a “time and material” basis with your approval.

All work is to be done during normal business hours on Monday through Friday between the hours of 7:00 AM and 4:30 PM.

If you have any questions, you can contact me at (585) 315-4661. If you would like to proceed with the work, please fill in the form and email it back to rochservquotes@postler.com or you may print this out and fax it to (585) 423-6241.

P&J will not be held responsible for the delays of equipment, materials, restocking fees and scheduling that are caused by the current market. Permits/fees not included if applicable. Due to the rising costs of materials this quote is good for **15 days**.

We appreciate your business, and we look forward to hearing from you in the near future.

Sincerely:

Tom Strong
