WO #: 11441

CSS Ticket Number: 22942

SOW: This is for the OMS Shop Boiler for repair to pass inspection.

S&S was onsite and diagnosed that the Honeywell pressure switch and gas pressure safe switch were faulty and would need replacement.

S&S will remove and replace the pressure switch and safe switch on the boiler.

S&S will then complete a system check to ensure everything is running as intended.

Service

| Item | Quantity | Unit Price | Total |
|-----------------------------------|----------|------------|------------|
| Diagnostic Total | 1.00 | \$450.00 | \$450.00 |
