Overhead Crane and Hoist Inspections
Prepared for:

Tidewater Inc- AMSA #102

6 Armory Rd Clarksburg, WV 26301-9367

The attached inspection findings are based upon interpretations of the of the most current versions of applicable OSHA 1910, ASME, ANSI B30, CMAA, and NEC standards and regulations. Correction of noted code and safety deficiencies will return the equipment to a compliant status. Per OSHA and ANSI requirements, all noted safety hazards must be corrected before placing equipment back into service. To ensure that your equipment is safe and productive, we recommend the implementation of a comprehensive inspection program with preventive maintenance incorporating daily shift inspections, weekly to monthly "Frequent Inspections," Monthly to annual "Periodic Inspections."

The inspection and related services provided by CRANE1, as detailed in this Service Report, are subject to and conditioned upon the waiver, indemnification, and other terms set forth in ATTACHMENT A to this Service Report

ATTACHMENT A (Rev. June 2024)

The inspection and related services provided by CRANE 1 to Customer are subject to and conditioned upon Customer's agreement to the following terms and conditions:

WAIVER – To the fullest extent permitted by law, CRANE 1 disclaims all warranties, both express and implied, relating to the information, reports, opinions, and analysis disclosed to the Customer by CRANE 1. CRANE 1 shall not be liable for any errors or omissions, or any losses, injury or damages arising from the use of such information, reports, opinions, and analysis by the Customer.

LIMITATIONS/QUALIFICATIONS ON SCOPE OF SERVICES AND REPORTING – The inspection findings provided by CRANE 1 in the *Service Report are based upon interpretations of the most current versions of applicable OSHA 1910, ASME, ANSI B30, CMAA, and NEC standards and regulations. The inspection findings represent conditions observed on the day and time of inspection. Correction of noted code and safety deficiencies will return the equipment to a compliant status. Per OSHA and ANSI requirements, all noted safety hazards shall be corrected before placing equipment back into service. To ensure that your equipment is safe and productive, CRANE 1 recommends the implementation of a comprehensive inspection program with preventive maintenance incorporating daily shift inspections, weekly to monthly "Frequent Inspections," Monthly to annual "Periodic Inspections."

CUSTOMER RESPONSIBILITIES – Customer is solely responsible for ensuring its employees are qualified and trained to operate the crane(s), related lifting equipment, and/or any other machinery being inspected by CRANE 1. The inspection findings include recommendations; however, the Customer is solely responsible for maintenance and repairs of all equipment. The Customer is solely responsible for taking a crane or piece of equipment out of service. Crane 1 can recommend removing a crane or piece of equipment from service but the ultimate decision and responsibility is with the Customer.

INDEMNIFICATION – Except as otherwise provided below, and to the fullest extent permitted by law, Customer hereby assumes responsibility and liability for any and all claims, damages, losses and expenses, including, but not limited to attorneys' fees and costs, including Crane 1's attorneys' fees and costs incurred to enforce this Indemnification provision, resulting from, arising out of or occurring in connection with the information, reports, opinions and analysis disclosed to the Customer by CRANE 1. Customer further agrees to indemnify, defend, and hold harmless CRANE 1 and any of its respective officers, agents, servants, or employees, and affiliates, parents and subsidiaries (the "Indemnified Parties") from and against any and all claims pertaining to any equipment, machinery, or other property owned, borrowed, leased or rented by Customer, or otherwise in the possession of Customer at all times relevant, inspected by CRANE 1 for Customer, whether or not such claims are based upon any of the Indemnified Parties' alleged fault or upon any alleged breach of any statutory duty or obligation on the part of any of the Indemnified Parties, and further from and against any and all loss, cost, expense, liability, damage, penalties, fines or injury, legal fees and disbursements, including legal fees and costs incurred in enforcing this Indemnification provision, that any of the Indemnified Parties may directly or indirectly sustain, suffer or incur as a result thereof. However, this provision shall not be construed in any way to require the Customer, its agents, and its employees to indemnify the Indemnified Parties for any claims caused by or resulting from the Indemnified Parties' own fault or negligence. The Customer agrees to and does hereby assume, on behalf of the Indemnified Parties, the defense of any action at law or in equity which may be brought against the Indemnified Parties upon or by reason of such claims and to pay on behalf of the Indemnified Parties, upon demand, the amount of any judgment that may be entered against the Indemnified Parties in any such action. **IN THE EVENT THAT THE LAW OF THE STATE IN WHICH THE CUSTOMER IS LOCATED LIMITS THE INDEMNITY OBLIGATIONS OF THE CUSTOMER, THEN THE INDEMNITY OBLIGATIONS OF THE CUSTOMER SHALL BE ENFORCED TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, AND THIS ARTICLE SHALL BE CONSTRUED TO CONFORM TO SUCH LAW.**

The inspection and related services provided by CRANE1, as detailed in this Service Report, are subject to and conditioned upon the waiver, indemnification, and other terms set forth in ATTACHMENT A to this Service Report
