

Region: 5

Location: VA002

CSS # 613

Maximo Work Order No.: 17764

Asset #: NA

Date Issued: 06/24/22

Original Description: FCU#4 , FCU#9 , FCU#18 , FCU#25 , FCU#34 , FCU#35 are in alarm and need to be checked

Repairs Needed:

After diagnosis we found a York unit needs a custom programmed controller.

S&S will accompany a controls technician from Havtech to determine if we can upload the original program.

RS Means Line Buildup and Labor Summary (Data Version 2017, Q4):
