Subject: VA048 Ice Maker Is Damaged

Hi Tony , Team ,
Will, is onsite at VA048 -we had the PM for the ice maker . It appears that the ice maker was damaged and possibly by this pallet . Tony with the age of the ice maker we would recommend you request a replacement from the 99th . I have Will emptying out the ice, turning off the unit, and tagging Out of service . For sanitary reasons with the door damaged .
