Subject: [Non-DoD Source] Region 5 -Zone 3 COMP-UR tickets to validate

Hi Scott,

See attached .Can you get these 4 tickets validated by your team ? I have Moore's service reports uploaded to Maximo stating work has been completed -pending COW's . If you say were good I then can bill these out under October billing .

There are only Two remaining ISG tickets open;

\* VA050-WO# 8020 CSS# 19104- VA050 gate -we had to find another vendor for the gate -pending scheduling and locating parts  
\* VA009-WO# 11227 CSS# 21282-the water heater at VA009 scheduled for 11/5 .

Thank You,

Rick
