**Location: DE002**

**CSS #:** 12399

**Maximo Work Order No:** 6436

**Asset #:**

**Date:** 12/12/2018

**Original Description:**

Additional work needed on Dishwasher.

**Repairs Needed:**

Labor and materials to replace the leaking booster heater for the dishwasher. The current one is leaking and will get worse. The existing booster heater is obsolete so we would be installing a different manufacturer booster which will require changing up the water lines to compensate for the new heater. We will remove the existing and install the new one. The electric and water will be hooked up and the system will be leak checked. We will cycle the unit to check for proper operations.
