

Over and Above Estimate

Region: 5

Location: MD048

CSS #: 15631

Maximo Work Order No.: 5991

Asset #: NA

Date: 10/11/2018

Original Description:

There is a severe leak in the main common area of the center. The water leak seems to be coming from the HVAC ductwork and only leaks when the system is running

Repairs Needed:

Labor and materials to remove the existing R-22 from the unit to allow proper EPA disposal. a.) Provide ACIA to clean and fog each of the (6) units to kill off all insects and bacteria. b.) Clean all condenser and evaporator coils on all units. c.) Install new belts on each of the blower motors. d.) test both heating and cooling operations. e.) inspect interior duct work to ensure a clean condition. f.) return after 30 days to perform an air sample of the interior space. This quote includes a warranty of 30 days on the duct cleaning. NOTE: This building is a leased building, the property management company has requested we use Walton Company as they maintain the rest of their facilities. We have requested additional cost breakdown be provided, however Walton company is not willing to provide.

RS Means Line Buildup and Labor Summary (Data Version 2017, Q4):

Quantity	Line Item Number	Description	Labor Hours	Labor Rate/Hr	Materials	Equipment	Total

Subject: Unit clean up and PM inspection 6 Rooftop Units

Walton & Company is pleased to quote the following scope of work:

- We will remove the existing R-22 from the unit to allow proper EPA disposal
- Provide ACIA to clean and fog each of the (6) units to kill off all insects and bacteria
- We will then clean all condenser and evaporator coils on all units
- We will install new belts on each of the blower motors
- We will test both heating and cooling operation
- One of the units cannot be tested as this one had a fire and cannot be cleaned
- We will provide this work during normal working hours of M-F 7 am till 5 pm
- We will inspect the interior duct work to ensure a clean condition
- We will provide photos of before and after of each unit
- We will return after 30 days to perform an air sample of the interior of the space
- We will provide a warranty of 30 days on the duct cleaning
- We recommend a PM agreement be put in place @ \$4200.00 Per year

\$105.00 Per hour per tech (24) Hours Estimated

\$4800.00 Materials and ACIA which includes cleaning and new filters and belts

\$4400.00 Labor to complete

\$9200.00 Nine Thousand Two Hundred Dollars and No Cents
