

## AFS Aluminum Cantilever Slide Gate 3 Year Limited Warranty

Subject to the limitations set forth below, AFS, Inc. ("AFS") warrants to the original end-user ("user") and not to any other purchaser or subsequent owner, that the aluminum cantilever slide gate (the "Product") is free from defects in material and workmanship and, under normal usage, will remain free from such defects for a period of three (3) years from the date of your original purchase.

This warranty does not apply in salty or harsh industrial environments. This warranty only applies to defects resulting from normal use. Any of the following events or conditions will void this warranty: faulty installation; damage during transportation; alteration of the product of any kind, including but not limited to affixing any other materials to the product; damage from high winds, accident, abuse, fire, or flood; damage caused by landscaping equipment or vehicles of any type, harsh or abrasive chemicals or exposure to salt or any other substance that has or includes a high mineral content, or plant growth; lack of documented monthly review and maintenance of all wear components, including but not limited to trolley assembly/rollers; or acts of God. AFS reserves the right to inspect the Product to determine validity of any claim under this warranty, including but not limited to the submittal of photos that clearly show and document the area(s) of failure. AFS may require all or part of the Product to be returned for inspection and testing.

UNDER THIS WARRANTY AFS' OBLIGATION IS LIMITED TO ONE OF THE FOLLOWING (AT AFS' OPTION), IN EACH CASE ON A PRORATED BASIS ONLY: REPAIR; OR REPLACEMENT OF DEFECTIVE MATERIAL. Reimbursements for the cost of removal and/or installation are not included and AFS will not provide such service. If the Product is replaced, the Product carries no further expressed or implied warranty. If the Product appears to have a defect in material or workmanship, user must advise the contractor from whom the material was purchased, in writing and with a copy to AFS at the mailing address provided below. In order for user to perfect your rights under this warranty, user should return a signed copy of this form to AFS within thirty (30) days of the purchase. Return of the warranty form is not a condition to warranty coverage, provided user can adequately prove that the Product installed was purchased from AFS.

AFS IS NOT RESPONSIBLE FOR INJURY, PROPERTY DAMAGE OR OTHER INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF THE PRODUCT, NOTWITHSTANDING THE FACT THAT SAID INJURY, PROPERTY DAMAGE OR OTHER DAMAGES AROSE DIRECTLY OR INDIRECTLY FROM AN ACTUAL OR ALLEGED DEFECT IN MATERIAL AND/OR WORKMANSHIP. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND EXCLUSIONS MAY NOT APPLY TO USER.

This warranty gives user specific legal rights, and user may also have other rights, which vary from state to state.

The above constitutes the complete warranty by AFS and may not be modified, amended or supplemented. No other agreement relating to this warranty, written or implied, is valid. AFS does not authorize any other person or agent to make any other express warranties. AFS neither assumes nor authorizes any other person or agent to assume any other liability in connection with the product.

Gate Replacement**

**Limited Warranty**

Entry Guard Systems warrants that any labor related to this project will be covered for a period of **thirty (30) days** from this same date of completion. This warranty shall not apply to any products or equipment, but to labor only to remove and reinstall the gate operator. This warranty does not cover any issues caused by operator error, vandalism, power surges, brownouts, lightning or other natural phenomena, and improper use of equipment, or which have been modified, changed, reworked in any way, without the prior written approval of Entry Guard Systems. Entry Guard Systems' sole obligation shall be to provide labor at Entry Guard Systems' option, to check out function of gate operator. This warranty extends only to the original work performed by Entry Guard Systems. There are no parts included in this warranty period.

Effective Date of warranty: **January 17, 2020**

Warranty End Date: **February 17, 2020**

Entry Guard Systems will provide warranty service during normal business hours, 8:30AM to 5PM Monday through Friday except holidays.
