Asset #:

Priority:  3

**Original Work Request:**

Soldier brook the door in because his key wouldn't work, later discovered his key was for a different door. Vendor should verify all measurements for door and existing frame. Recycled from old door is door closure and both kickplates. Recommended contractor: Appalachian Lock for hardware

**Description of Repairs Needed:**

Proposal is to remove existing damaged door and hardware. Retain door closure, window, kick plates and hinges to be reused. F&I new 85.5" x 36" solid birch door with approved finish. Install window, kick plates, door closure and hinges from existing door. F&I new lever handle compatible with existing core. Dispose of old door offsite.
