**Original Work Request:**

Several rooms in Training Bldg has mold growing and needs to be cleaned by a professional company. The mold is on carpets, furniture, vents, and walls in all areas of the building. Recommended Contractor: ServPro

**Description of Repairs Needed:**

Install air scrubbers and dehumidifiers to control mold growth as an initial step. Once the problem that caused the growth of mold is resolved (another sub will address cause and repair), sub will provide a separate quote for the overall remediation of mold in the building including pre/post sampling, and clearance for re-enter.
