Original Work Request:

Repair light switch and install new outlet. Change lights in War Room to separate switches for projector use. There is already a switch in place just need wires attached to it and lights. Marines have a projector in the ceiling that needs an outlet. The wire runs up into ceiling and connects to an outlet, code call for the outlet to be visible. Contractor needs to attach it to the ceiling tile.

Description of Repairs Needed:

Proposal is to separate war Room lights to two switches to allow for projector use and install flush mounted ceiling receptacle for Marine's projector.
