Asset #:

Priority: 1

Original Work Request:

The call button at the front gate is not working. The call button let's staff know there is a visitor needing into the facility from outside the gate is not working. Called LoCurrent and they said it has most likely lost its program and they will have to come fix or replace the box. Emergency onsite POC: Larry Salai (304) 382-9301

Description of Repairs Needed:

Proposal is to diagnose and repair/replace AiPhone door station to make call button operable.
